The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
500 West Temple Street
Los Angeles, CA 90012

Dear Supervisors:

COUNTYWIDE CLASSIFICATION ACTIONS FISCAL MANAGEMENT OCCUPATIONAL STUDY (ALL SUPERVISORIAL DISTRICTS) (3 VOTES)

SUBJECT

This letter and accompanying ordinance will update the tables of classes of positions and departmental staffing provisions by adding four (4) new classifications and reclassifying positions in various County departments to implement findings of the countywide Finance Manager Occupational Study.

IT IS RECOMMENDED THAT YOUR BOARD:

Approve the accompanying ordinance, amending Title 6, Salaries, of the County Code to add four (4) new classifications, and reclassify 24 positions in 24 County departments to implement the countywide Finance Manager Occupational Study.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

Your Board of Supervisors (Board) has requested submission of classification letters on a periodic basis throughout the year to facilitate consideration of classification and compensation recommendations in a timely manner. Approval of these recommendations will provide the ordinance authority for County departments to implement the classification and compensation recommendations in this letter.

These recommendations will ensure the proper classification and compensation of positions based upon the duties and responsibilities assigned to these jobs (Attachment B). This is the primary goal of the County's classification and compensation system. Positions reclassified upward, downward, and laterally are consistent with the class concepts of the proposed classifications.

These actions are recommended based upon accepted principles of classification and compensation and are important in addressing departmental operational needs and in maintaining consistency in personnel practices throughout the County. The proper classification and compensation of positions and employees facilitates good business operations and can reduce the number of costly personnel-related problems.

Countywide Finance Manager Occupational Study and related Reclassifications

The Finance Management Occupational Study was initiated to create classifications designated for the top financial manager in most County departments. Currently, 23 different classifications are being used to perform this function, of which six (6) can be deleted from the County's Classification Plan once they become vacant. Based on several factors, including budget size and complexity of the respective departments, we recommend that 24 positions (one per department) be reclassified to one of three (3) new Management Appraisal and Performance Plan (MAPP) Departmental Finance Manager classifications (Attachment B). Thirteen positions would be reclassified upward, ten reclassified laterally, and one reclassified downward. Twelve departments are either too large or too small to meet the standards for the new Departmental Finance Manager classifications. Therefore, we are recommending no change for those departments. These actions will clearly define the roles and responsibilities for this core departmental function and help facilitate the recruitment of individuals possessing the requisite knowledge and abilities to perform this critical function. The classifications created from this study align with the classifications for departmental administrative deputies and human resources managers that were approved by your Board in 2007 and implemented in 2008. No additional reclassifications are anticipated as part of this study.

New Classifications

In conjunction with the reclassification of finance manager positions in various County departments we are establishing a new Departmental Finance Manager series (Attachment A). The positions classified in this new series will report to an Administrative Deputy and will be responsible for the oversight of a departmental budget and finance division/section.

We are also establishing a new class entitled Management Assistant (Attachment A). This classification is designed to be a broad and generic entry-level management analyst classification that will be utilized throughout the County to perform the more sensitive management analyst functions, such as human resources, fiscal management, and contract development and administration. As such, this class will serve as a "feeder" class to a variety of management functions and non-represented job series, ultimately providing us the opportunity to eliminate numerous duplicative, entry-level classes in these other series such as Administrative Staff Trainee, Management Trainee, CEO, and Human Resources Trainee. Actually, this class is the first class being established utilizing the new competency-based human resources model which was a key recommendation in the HR Study, approved in concept by your Board on July 27, 2010. This supports many recommendations, including the reduction in the overall number of classes; definition of classes based, in part, on shared required "competencies;" and technically valid, competency-based examination of candidates to identify highly capable individuals to perform sensitive management functions throughout the County.

Implementation of Strategic Plan Goals

Your Board's approval of the accompanying ordinance will further the County Strategic Plan Goal 1 - Operational Effectiveness. Specifically, it will address the Service Excellence and Organizational Effectiveness Strategy to improve the quality of the workforce to achieve departmental operational efficiencies, and to maintain consistency in personnel practices throughout the County.

FISCAL IMPACT/FINANCING

The projected budgeted cost for the 24 positions that will be reclassified is estimated to total \$171,260 (all funds). Net County Cost is estimated to be \$135,055. Please note that cost increases associated with the upward reclassification actions will be absorbed within the Board's adopted budget for each affected department. No additional funding is required.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The County Charter authorizes the establishment and maintenance of "a classification plan and the classification of all positions." This responsibility is further delineated in Civil Service Rule 5.

Appropriate notifications have been made with the impacted employee organizations regarding the recommended classification actions. The accompanying ordinance

implementing amendments to Title 6, Salaries, of the County Code has been approved as to form by County Counsel.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

Your approval of these classification recommendations will enhance the operational effectiveness of the departments through proper classification and compensation of positions.

Respectfully submitted,

WILLIAM T FUJIOKA
